Another embarrassing spectacle happened during Gambia leader, H.E. Adama Barrow's visit to Ghana.

In one of the pictures released by the Presidency to the media and the public, the President, H.E. Akufo-Addo is seen sitting by a flag that seems to look like the Ghana Flag, the Flag is Green, Yellow(with the black star) and Red.

What is not clear is whether the Ghanaian flag which is Red, Yellow(with the black star) have been swapped with that of another country.

In recent times the handlers of the Presidency have been caught in a myriad of avoidable blunders such as outright grammatical errors, spelling mistakes and misrepresentation of facts.

Observers are increasingly becoming worried about the standards being lowered as against what was promised.
